

ENZYME Products

PRODUCT NAME	DESCRIPTION	CONTAINS
Multi Enzyme Full Spectrum High Potency 1745, 1746 	Full Spectrum Potent Digestion Support • Natural Factors Multi Enzyme Full Spectrum is derived from plant enzymes and ingredients are completely vegetarian. It is especially helpful when age or illness impairs digestion.	amylase, cellulase, lactase, lipase, maltase, sucrase, hemicellulase, papain, Peptizyme SP®, bromelain
Pancreatin Plus Enzymes 1742, 1743 	Aids Digestion, Relieves Bloating and Gas • Natural Factors Pancreatin Plus Enzymes tablets contain a spectrum of enzymes to enhance digestion. This formula provides heavy-duty help when pancreatic, liver, and gallbladder performance are compromised. This formula helps relieve bloating and gas.	protease, Peptizyme SP®, papain, bromelain, amylase, lipase, rutin, amla, pancreatin
Lactase Enzyme 1740 	For Lactose Intolerance • Natural Factors Lactase Enzyme is ideal for those missing the enzyme lactase, which digests milk sugars.	lactase
Chewable Papaya Enzymes with Amylase and Bromelain 1748, 1749 	Chewable Digestive Aid • Natural Factors Chewable Papaya Enzymes is a delicious way to get a broad spectrum of beneficial enzymes which aid in normal digestion.	papain, amylase, bromelain, amla
Complete Megazymes Vegetarian Formula 1700, 1701 	All-Around Digestive Aid • Natural Factors Complete Megazymes is all-vegetarian, usable by all ages as a general digestive aid and preventative for indigestion. Contains a full spectrum of enzymes from vegetarian sources to assist and enhance normal digestion.	betaine hydrochloride, amylase, bromelain, papain, pectin
Bromelain Pineapple Source 1735, 1736 	Aids Digestion • Natural Factors Bromelain capsules contain 500 mg of this proteolytic enzyme isolated from the stem of the pineapple plant. Bromelain aids digestion by breaking down protein and improving nutrient absorption.	bromelain
Turmeric & Bromelain 1738 	Digestive Aid and Anti-inflammatory • Natural Factors Turmeric & Bromelain helps inflammatory conditions and enhances digestion naturally while supporting and protecting the liver. Taken between meals it helps thin the blood, ease menstrual problems, and reduce inflammation of joints. Taken with meals it is an excellent digestive aid to minimize bloating and gas, and promote the feeling of fullness.	turmeric extract, bromelain extract
Betaine Hydrochloride with Fenugreek 1720, 1721 	Enhances Digestion, Especially for those over 60 • Natural Factors Betaine Hydrochloride, derived from beets, increases stomach acid to enhance digestion. This is especially important for older persons, particularly those over 60, who may not produce enough stomach acid to properly digest food and nutrients. It also stimulates secretion of pancreatic enzymes.	betaine hydrochloride, fenugreek seed powder
Gluten Relief 1722 	Aids Digestion and Food Sensitivities • Natural Factors Gluten Relief contains a balanced blend of the enzymes needed for complete digestion of difficult-to-digest foods, especially cereal grains and milk products, which contain carbohydrate, protein, gluten, and casein. Improves symptoms associated with food sensitivities, allergies, and celiac disease. Also eases gas and bloating due to beans, legumes, and other high-fibre foods.	proteases I, II, III, plant protease, amylase, cellulase, lactase, alpha-galactosidase, lipase
Colon ClenZyme 1724 	Colon Health and Function • Natural Factors Colon ClenZyme helps promote healthy colon function by preventing a build-up of poorly digested, toxic, or putrefying food wastes, as well as controlling the proliferation of harmful organisms in the large intestine. It naturally helps cleanse the colon and maintain optimal intestinal regularity and health.	fungal protease, Peptizyme SP®, fungal amylase, cellulase, hemicellulase, fungal lipase, chitosanase

ADDITIONAL DIGESTIVE SUPPORT

PRODUCT NAME	SPECIFICS	CONTAINS
Soothe Digest 1747 	Relieves Gas and Bloating • Natural Factors Soothe Digest contains three carminitive herbs that help relieve flatulence and cramps in the digestive tract. Relaxes the smooth muscles of the digestive tract to reduce painful spasms and bloating, and expels excessive gas. Can be taken as needed to alleviate symptoms, or before eating to prevent symptoms.	fennel seed extract, anise seed, caraway seed
Zymactive with Serratia Peptidase Double Strength Enteric coated 1750 	Anti-inflammatory and Immune Support • Natural Factors Zymactive with Serratia Peptidase is a unique enzyme complex that is more than twice as potent in protein-digesting activity as the leading brand. Peptizyme SP®, a proprietary enzyme from silk worms, has a more powerful and broader pH stability than chymotrypsin and trypsin. Taken between meals it is excellent for inflammation, post-surgical swelling, carpal tunnel syndrome, and more.	pancreatin, papain, Peptizyme SP®, bromelain
